Notice to Teachers.

Title Geard of School Examiners of Hangock County, Oldo, will hold a session for the examination of Teachers at the Academy building, in Findlay, on the 13th day of Nevember, 1862, and on the first and third Saturdays of each month thereafter, till otherwise arranged. Examination to commence at 10 o'clock a. m., or sooner if possible.

All applicates are required to present recommendation from their last employers, if they have been engaged as tenchers; if a t, then, from their hast teachers, certifying to their moral character.

Scandinavian Remedies. When Dr. Roracz, the celebrated Swedish hysician introduced his theo. Purifier and hood Pill in the United States, he set forth in plain language their carative properties.— This was years ago. The task of recommend-ing them has since been taken out of his hands. Enlightened men, whose character for sound independ and philosophy, gives their opinions weight in the community—men who observe, weight in the community—men who observe, reflect, and make "assurance doubly sure" before they decide,—are everywhere approving and arging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves, are now of one mad on this important subject.

The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establish the following.

establish the following That the BLOOD PURIFIER and BLOOD PHAS CONTAIN NO MINERAL That they care the alm-st universal complaint, DYSPEPSIA, with unerring certainty, and in a very short time; that after all other medicines, have

time: that after an proved useless, they relieve proved useless, they relieve I.IVER COMPLAINT. and restore the health and strength of the suf-force; that SICK FEMALES, who have languished for years in helpless weakness and despendency, recuperate with great rapidity under their invigorating oper-ation; that all savual desabilities are removed by their cotdial and gently stimulating proper-SHATTERED CONSTITUTIONS.

they CAUSE SOON TO HARL and discharge from the system, every taint of Serofula, whether heredrary opotherwise;-RECRUIT THE DEBILITATED; and that there is no discuss of the stomach and bowels, the liver, the agreeus system, the

kin, glouds, or muscles, ARISING FROM IM URITIES OR OB-STUCTION SOF THESES. in which they do not give prompt relief, and, (it administered before the very critatel of life has been invaded,) offeet a painters and perfect cure. Bear in mind that the reaction via Veg-atable BLOOD Phils are endorsed by the experience of thousands onlyin, we here-es who, in letters, adriavits, medical works, and by word of mouth proclaim them to be the very best preparation of the kind ever of-fered to the fered to the broken-down victims of di-health They hunt disease through every avenue and organ of the system, and exper it thoroughand permanently.
No one can doubt their superiority after one ingle trial—they are not only better, but in act, cheaper than any other lills, for it takes less number of them to produce a better ex-

rice of the Scandinavian Vezetable Blood Purmer, \$1 per bettle, or \$5 per latit-dezen.— Of the Scandinavian Vezetable Blood Pills, 25 cents per box, or five boxes for \$1.
